

Family Friends of Scouting

Sample Letter to Unit Parents Prior To Friends Of Scouting Presentation

(Use Personal, Pack/Troop or Chartered Partner Letterhead)

Dear Mr./Ms.: _____,

Friends of Scouting. An annual drive to raise funds for Scouting.

Since 1910, the Boy Scouts of America has been instilling youth with the values of truth, honesty, integrity, a strong moral code and a deep love and respect for their Country.

The Friends of Scouting program is your opportunity to help meet the financial responsibilities of scouting in our area. At an upcoming meeting a representative from our district will be there to share more information about the program and ways in which you can participate.

Your donations directly support the Western Colorado Council's operating and other expenses such as leadership training materials, recruitment materials, program innovations, and supplies necessary for your child's involvement.

Please consider helping us continue the positive impact we strive to make in young lives and thank you for sharing the best possible gift.

Yours in Scouting,

(your name)

(your scouting title)

Prepared. For Life.™
